Referral Partner Program

About The Program

The Access Financial Referral Partner Program (“Program”) has been created to reward you, our loyal Clients, (“you,” “Partner,” “Referrer,” “Participant”) for doing what you would already do – recommending us to your friends/colleagues who sign on to be Access Financial clients (“Referred,” “Participant”).

The Program Terms and Conditions are a binding agreement between you and Access Financial and will govern your participation in any and all Program offers. You are not authorised to participate in the Program, if you do not agree to these Program Terms and Conditions in their entirety.

How the Program Works

Earning when you invite your friends/colleagues to Access Financial is simple:

01

To join the Program, fill out our [Referral Partner form](#) on the website. When signing up for the Program, you will be provided with a personalised referral link. You will be able to share this link with your friends/colleagues.

02

You tell your friends/colleagues about us. They will need to follow your personalised referral link and fill out any contact form on the website in order to recognise you as their Referrer.

03

Your friend/colleague signs up for our service.

04

As the Referrer, you will be rewarded with €300 to your bank account for every person you invite, who becomes our client.

Step 3

Log in to your account

After your application is approved, which we will inform you about by email, you will be able to log into your account using this link: <https://accessfinancial.com/referral-partner-login/>

Step 4

Default Referral Link

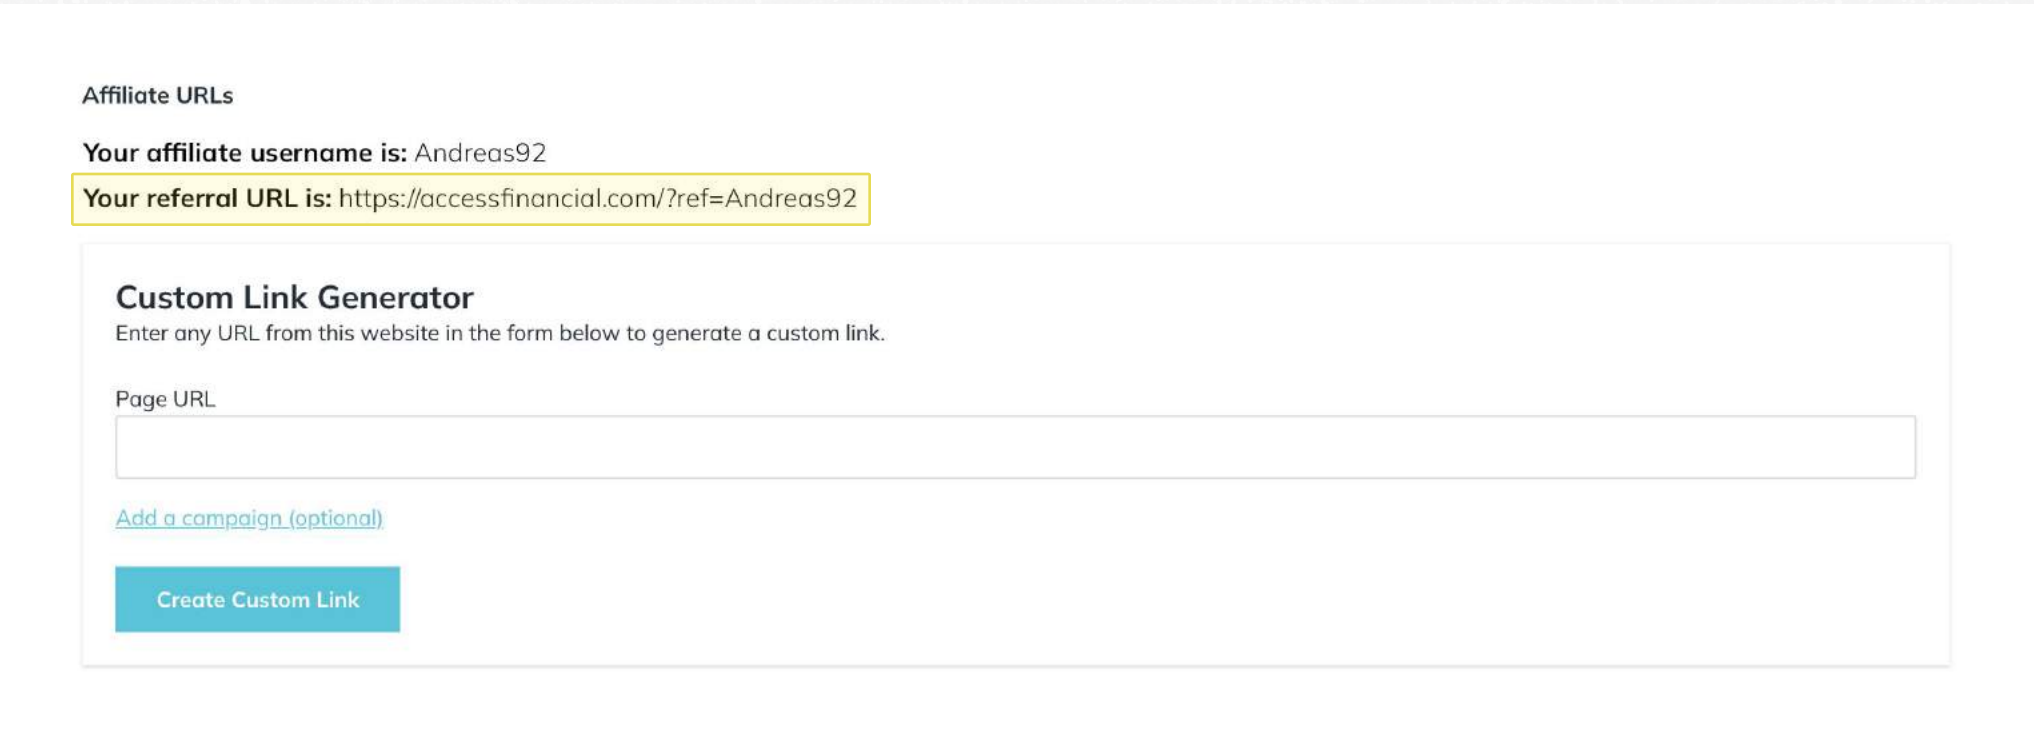

By logging into your account/dashboard, you will be able to see your default referral link, which you can share with your friends/colleagues.

When someone clicks your referral link and visits our site, we install a cookie on their browser.

Our cookie lasts 6 months. As long as your referee signs up for our services within that 6 months then you will be credited with the reward.

For example: A 6-months cookie duration means that from the moment your friend/colleague (Referee) clicks on your referral link, you have up to 6 months to earn a reward if they decide to sign up for Access Financial services.

If they sign up after 6 months, the cookie will have expired, and you won't be credited with the reward.

Since the default referral link will direct your friends/colleagues to the main page of Access Financial (<https://accessfinancial.com>), if necessary, you can create a custom link to any other page on our company's website by entering the URL of that page in the 'Page URL' field and clicking the 'Create Custom Link' button.

Custom Link Generator

Enter any URL from this website in the form below to generate a custom link.

Now you're ready to start earning with Access Financial! You can share with your friends/colleagues either the default link or the custom one you generated. Once a friend/colleague follows your link and fills out any of the contact forms on our website, they will be linked to your account as your Referred person. You can view this from your Dashboard by clicking on the 'Referrals' tab. There you will be able to see the status, payments and so on.
