DWELLWORKS®

DWELLWORKS INTERCULTURAL SERVICES

Dwellworks is proud to be an official supplier of Intercultural Training for Access Financial global customers. With trainings available for over 200 different country cultures, Dwellworks services offer relocating employees the critical cultural skills necessary to succeed both personally and professionally in their host country. Programs are convenient and customizable with options for in-person training, on-demand coaching, or self-paced, digital learning pathways.

FACILITATED TRAININGS

Building on the convenience of the CultureCloudSM PLUS program, our facilitated trainings add the comfort and expertise of an Intercultural Trainer lifeline.

The program offers assignees expert support in 1/2 day, 1-day, and 2-day program scopes – in person or virtual. Whether for a deeper understanding of your CultureCompassSM evaluation, for cultural questions that arise on location, or for personal, cultural adjustment issues.
